

1. Shooting hours for members on Outdoor Ranges are between 9:00 A.M. and 9:00 P.M., or dusk; whichever comes first. Non-members are welcome, but must be accompanied by a member.
2. Immediately upon arrival at the range, all shooters must sign in and pay any range fees BEFORE they begin shooting (this will be monitored by the Chief Range Officer). Upon leaving shooters must clean-up after themselves; remove any targets they have placed; close and lock gates.
3. ALL SHOTS on the rifle and pistol ranges must IMPACT the berm. To make sure this rule is met; all targets must be mounted on target boards provided by the club. Homemade target holders, boxes, cans, water jugs, or other types of targets are not acceptable targets. Any exception to this must be approved by the Chief Range Officer.
4. Shotguns using anything other than slugs may not be fired at the target boards. Pattern testing with a shotgun may be done using cardboard mounted against a berm.
5. DO NOT SHOOT the framework for the target boards or signs posted on said framework.
6. DO NOT SHOOT any of the concrete fixtures; or steel sheets covering the silhouette bays.
7. NO RAPID FIRE (one second and faster) unless authorized by Range Officer.
8. Treat all firearms as if they are loaded. Keep muzzles pointed in a safe direction.
9. Firearms must be in a safe condition at all times; except during firing. This means actions open, magazines out, lay the firearm down with the ejection port facing up, and pointed down range. Exceptions to this are firearms in a case; standing upright in a rifle rack, or while actions are disabled for cleaning purposes. Firearms should only be loaded when they are in the shooters hands or on their shoulders.
10. Custer is a cold range; this means all areas of the range, including parking lots and buildings; firearms must be unloaded safely at the firing line. For members that have a Concealed Carry Permit you may reload your firearm safely at the firing line, holster it then you must proceed to your automobile and leave the range. Pistols are not to be carried loaded in a holster (except law enforcement on duty, and approved range officers).
11. Drawing from the holster is prohibited unless SPECIFICALLY approved by the on duty Range Officer you must get approval before you start shooting each time you shoot.
12. The firing line is off limits to anyone who has consumed any substance that may adversely affect their actions and/or safety awareness. This includes; but is not limited to alcohol and prescription drugs.
